SINGAPORE - PHUKET

SINGAPORE

"The Quintessential Cosmopolitan"

Best described as a microcosm of modern Asia, Singapore is a melting pot of culture and history, and an extravaganza of culinary delights. Officially known as the Republic of Singapore, it is both a city and a country located in Southeast Asia. One of Asia's most visited destinations, Singapore is best described as an amalgam of a fast-paced life and an off-the-back-street inheritance.

Singapore is the quintessential cosmopolitan, having the highest religious diversity in any country. Spread 42 km (26 miles) east to west and 23 km (14 miles) north to south, today it boasts of the world's busiest port.

Singapore has climbed to be one of Asia's hit-list destinations with its efficient and widespread transport system - whizzing in this country is just a matter of minutes!

The national pastime of Singaporeans is eating, followed closely by shopping. This 'City in a Garden' is a blend of cultures, combining different ideas, cuisines, new architectures going well with the gleaming hint of the old school. The incredible shopping malls, classy boutiques, departmental stores on Orchard Road, the exotic elements of Chinatown and Little India and the world-class nightlife span across the spotless land of Singapore.

Expensive with respect to South-eastern standards, the city offers a plethora of other options for entertainment such as Sentosa Island, Singapore Zoo, Singapore Botanic Garden, Marina Bay Sands, Tiger Balm Garden, and the Singapore Night Safari. With a picture-perfect skyline and city centre bustling with crowds of people, Singapore is one of the most popular travel destinations for a lot of reasons.

PHUKET

"Where Summer Beach Fashion Truly Comes Alive"

The largest island in Thailand, Phuket has everything the country offers. It is located in southern Thailand, on the Andaman Sea coastline. Serviced by the Phuket International Airport, the island sees no shortage of travelers at any time of the year. Golden beaches, numerous offshore islands, upbeat markets, a high-octane nightlife, and thrilling watersports characterize Phuket. It is also one of the fastest-accessible beach destinations in Thailand.

Phuket has more than 40 stunning beaches. Beaches like Surin and Kata cater to families and individuals with eccentric tastes. Patong Beach caters to all those who like it cheap, loud, and crazy, even after the sun sets. Bangla Road, with its numerous bars and street food vendors, comes alive as the night ages. Those who shy away from dizzy bright lights and alcohol will find themselves at the Cabaret shows or even at the ever-popular street markets. The Phuket Walking Street or Phuket Weekend markets are places where one can spend hours sifting through various clothes, souvenirs, and novelty items.

Aside from all the glitz and swankiness, Phuket offers many traditional activities and experiences. Enjoying tropical weather all year round, the waters of Phuket come to life, brimming with marine habitats from November to February. Activities like snorkeling and scuba diving can be done at popular and scenic locations such as Phi Phi Islands and Similan Islands, which make for day trips by speedboat. Phuket is also the starting point for visiting many islands like James Bond Island.

Hidden in plain sight is also an immersive experience of Thai culture. Phuket Town heavily retains its Chinese influence and Sino-Portuguese history via its cuisine, cooking styles, architecture, and historical museums and buildings. Chalong Wat, a Buddhist temple, and Jui Tui Shrine, an important Chinese place of worship, embody how various religions and cultures coexist.

Phuket caters to all types of travelers - families, individuals, couples, or groups, across all budgets. With many high-end resorts along most beaches, hotels, luxury shopping outlets, and spas, Phuket is a haven for those looking to splurge big on their vacation and look good while doing it. One of the most visited islands in Thailand, it is relatively small and very easy to explore - most attractions in Phuket are just a tuk-tuk ride away.
